

Beautiful Noise

A D/A A D/A

A D/A G/A D/A A
Sunday morning and it's a little too quiet in here

A D/A Dmin/A A
I'd expect to hear commotion when the children of the Father draw near

E/G# D/F# A/E E
Who else has a better reason to be dancing for the rest of their days?

E/G# G D/F# Bmin E
Who else has the kind of Savior who is worthy of the best of your praise?

D A E
Chorus: So clap your hands if you love my Lord

D A E F#min
Raise a shout, make it loud, make a beautiful noise

D A E F#min
Shake the walls with your singing bringing Him a new song (riff)

All that passion the world is saying keep to yourself
"Take your faith and your religion boy and hide in the closet or shelf."
But now we're standing in the temple where the presence of the Father is real
there's no way to keep it hidden it's the time when we can say what we feel
Chorus

He is worthy He is holy, He is mighty, amen!
As it was in the beginning, keep on saying it again and again
Don't you know that He is present when two or three are gathered around?
Don't you think He loves to listen when their voices are shaking the ground?
Chorus 2x
