*F Gm7 C F Dm7 Gm7 C7 F*

*F Gm7 C F*  
I have no more words for the things that I have seen  
*F7 Bb*  
we're so far from the way we should have been  
*Am7 Dm Am7 Dm*  
and all our finest offerings are broken and unclean  
*Gm7 F/A Bb Bb/C C*  
and we are blind and stumbling stumbling in our sin

*F Gm7 C F*  
Father, have mercy have mercy is all that I can say  
*C/E Dm7 Gm7 C7 F*  
Father, have mercy have mercy we have lost our way

*F Gm7 C F F7 Bb*  
I have no excuses to defend me anymore just a broken heart for what I do  
*Am7 Dm Am7 Dm*  
but in Your broken body is the grace i'm praying for  
*Gm7 F/A Bb Bb/C C*  
in Your promise hope to be hope to be made new

*F Gm7 C F*  
Father, have mercy have mercy is all that I can say  
*C/E Dm7 Gm7 C7 F*  
Father, have mercy have mercy we have lost our way

*F Gm7 C F*  
Father, have mercy have mercy seek us when we stray  
*C/E Dm7 Gm7 C7 F*  
Father, have mercy have mercy we have lost our way

*Dm Bb Dm Bb*  
even the strong fall down even the faithful doubt  
*Bbm F/A Gm7 Bb/C C*  
even the rich are found with empty hands
