Free Praise License

This license does NOT supercede or replace the rights of the composer(s) under United States Copyright statutes. The musical notation and lyrics of works released under the terms of the Free Praise License may be freely reproduced or transmitted in any written or digital format for all purposes of religious worship, provided that:

- attribution to the composer always accompanies any reproduction of lyrics or music;
- the lyrics are not altered or added to in any way;
- no fee beyond the cost of media or transmission is charged for reproduction in any form.

This license does NOT comprise permission to publish the musical works for sale, singly or in a songbook or compilation in any format. The right to license commercial performances and/or to make recordings for commercial sale is retained by the composer and/or the composer's publisher and/or the composer's performance rights organization.
