## ***Free Praise License***

The musical notation and lyrics of works released under the terms of the Free Praise License may be freely reproduced or transmitted in any written, mechanical, or digital format for use in services of religious worship, **provided that:**

- The composer's name and copyright information always accompanies any reproduction of the lyrics or music
- No additions or alterations are made to the lyrics
- No fee beyond the cost of media or transmission is charged for reproduction in any format

This license does NOT comprise permission to publish the musical works for sale, singly or in a songbook or compilation in any format. The rights to license the musical notation, lyrics, commercial performances, and recordings for sale are retained by the composer and/or the composers publisher and/or the composers performance rights organization.

The Free Praise License does NOT supercede or replace the rights of the composer(s) under United States Copyright statutes.
